EXPERIENCE

Carol Barry is Senior Vice President, Workforce Services and Talent Management, for Savannah River Nuclear Solutions (SRNS), the management and operations contractor for the Department of Energy's Savannah River Site (SRS). In this capacity, she is responsible for SRNS workforce services including benefits, compensation, staffing, labor relations, talent development and education outreach and EEO/diversity.

Barry has over 30 years of experience in the human resources (HR) and workforce services fields.

In her current position, Barry manages a staff of 58 employees who provide services in workforce and talent management, benefits, compensation, staffing and retention, labor relations, employee records, HR policies and procedures, EEO/diversity and others. Barry has worked at SRS for more than 25 years in a variety of positions of increasing responsibility within HR and Workforce Services.

Prior to coming to SRS, Barry served as director of non-certified personnel, compensation and benefits for the Greensboro, N.C., city schools.
