# Savannah River Nuclear Solutions

You can put  
your skills  
to work  
at SRNS

## Our company

Savannah River Nuclear Solutions manages and operates the Savannah River Site, a U.S. Department of Energy site.

## Our location

The Savannah River Site is a 310-square-mile facility located near Aiken, S.C.

## What we do

We operate diverse nuclear facilities and manage infrastructure and support systems like those of a small city.

## Opportunities

We offer full-time employment for production operators, laboratory technicians, radiological controls inspectors, maintenance mechanics, electronic and instrumentation mechanics, power operators, riggers, and light and heavy drivers.
