## SRNS Employee United Way Campaign Raises \$1.17 Million

*SRNS parent companies provide additional \$200,000 as corporate match*

AIKEN, S.C. (October 31, 2012) – Savannah River Nuclear Solutions, LLC (SRNS) employees are celebrating the raising of \$1.17 million in donations for area United Way agencies during this year's SRNS Employee United Way Campaign, exceeding their goal by more than \$76,000.

SRNS donation checks were presented by Tammy Rimes, this year's Chair of the SRNS Employee United Way Campaign to representatives from seven United Way agencies.

SRNS President & CEO Dwayne Wilson presented an additional \$200,000 to the campaign as part of a corporate match supported by SRNS' parent companies.

"It's inspiring. Here we are in the middle of a recession, with mounting financial pressure on nearly everyone, and our employees and retirees continue to step up and give from the heart," said Rimes.

Eleven local United Way agencies are designated to receive contributions from the SRNS Employee United Way Campaign. Represented at the ceremony were Aiken, Allendale, Bamberg, Barnwell, Colleton, Edgefield, Hampton, Midlands, McDuffie, and Screven Counties, and the United Way of the CSRA.

*Savannah River Nuclear Solutions, LLC employees donated nearly \$1.2 million during this year's SRNS Employee United Way Campaign. In addition, as part of a corporate match provided by SRNS' parent companies, Dwayne Wilson, SRNS President & CEO presented an additional \$200,000 check during the celebration. Kristen Keen (left), Resource Development Specialist, Midlands United Way; LaVerne Gold, Executive President & CEO, United Way of the CSRA; Candice Moyer, Director of Marketing, Aiken County United Way; and Jess Wilbanks, Chief Professional Officer, United Way of Barnwell County, show their support.*

*The Savannah River Site is owned by the U.S. Department of Energy and is managed and operated by Savannah River Nuclear Solutions, LLC.*

SRNS employees continue to support a long-standing tradition of caring for the less fortunate and providing a better future for our communities through the support of the SRS Employee United Way Campaign as well as other charitable organizations.

Savannah River Nuclear Solutions, LLC, is a Fluor Partnership comprised of Fluor, Newport News Nuclear and Honeywell, responsible for the management and operations of the Department of Energy's Savannah River Site, including the Savannah River National Laboratory, located near Aiken, South Carolina.
