FOR IMMEDIATE RELEASE

SRNS Contributes over \$1.2M to Local United Way Agencies

SRNS employees raise over \$1M, parent companies provide \$225,000 corporate match

AIKEN, S.C. (November 20, 2018) – Savannah River Nuclear Solutions (SRNS) employees gave back to the surrounding communities through another successful United Way campaign, raising over \$1.2 million, which includes employee campaign and corporate match. The SRNS campaign committee invited the participating United Way agencies to a celebration at Newberry Hall in Aiken, S.C., on Nov. 14.

During the event, Campaign Chair Caroline Reppert and Vice Chair A.D. Bollig presented the donation checks to the United Way agency representatives. Among these representatives were Sharon Rodgers, President, United Way of Aiken County.

“United Way of Aiken County is so very grateful for the faithful support and overwhelming generosity of SRNS employees. SRNS is our largest contributor,” said Rodgers. “As a result of your donations, our 30 partner agencies and 45 critical need programs will receive funding in 2019. These programs benefit over 200,000 children, seniors, disabled, underemployed and folks in crisis in our community. Thank you for helping us #LightUp Aiken County.”

The Savannah River Site has a history of giving. Initially known as the Community Chest, United Way has been a major focus for employees since 1952.

Savannah River Nuclear Solutions (SRNS) raised over \$1.2 million during the SRNS employee United Way fundraising campaign, benefitting nine United Way agencies located throughout the greater CSRA. SRNS employees and representatives from the United Way agencies celebrated the completion of the highly successful campaign.
