“Mark Your Calendars”: SRNS to hold IT Recruitment Fair

AIKEN, S.C., (June 1, 2022) – Savannah River Nuclear Solutions, the managing and operating contractor at the Department of Energy’s Savannah River Site, will hold an Information Technology (IT) Recruitment Fair on Friday, June 10, from noon-7 p.m. at the City of North Augusta Municipal Building on the Palmetto Terrace.

“SRNS has some great job opportunities for IT professionals,” said SRNS Talent Acquisition Manager Bryan Ortner. “When you think of SRS, you often don’t realize how much IT support is needed to keep the Site running and safe. Working at SRS gives IT professionals a chance to help with our important national security and defense missions and can offer a long and beneficial career.”

The event is aimed at recruiting for all IT disciplines but is especially targeted toward Cyber Security, Software, Network and System Engineers.

For more information, contact Bryan Ortner at bryan.ortner@srs.gov or visit www.savannahrivernuclearsolutions.com.

Savannah River Nuclear Solutions, a Fluor-led company with Newport News Nuclear and Honeywell, is responsible for the management and operations of the Department of Energy’s Savannah River Site, located near Aiken, South Carolina.
